AXIA PENDANT

ITEM NO. PEN-AXI	DESIGNER Jeremy Pyles	DATE 2014	SERIES Crystalline
---------------------	--------------------------	--------------	-----------------------

In lush, rich colors and boasting a sexy, substantial middle, the Niche Axia pendant makes a gorgeous addition to any environment. The Axia is part of the new Crystalline Collection which embraces playful, fresh colors and bold defined angles but never strays far from Niche's core, signature design principles of simplicity and elegance in modern lighting. Try a grouping of 3 or more for maximum impact. Each Axia pendant is blown by hand with love in New York.
